Parents are very welcome to attend the camp for all or part of each session. Parental involvement is directly related to the student's success! We will be having FUN as we learn! I believe that learning should ALWAYS be FUN especially as we learn to play the violin. If your child wishes to continue to study the violin, we have wonderful staff members who would welcome your family into their studio. Our current students are regularly accepted into the Governor's School for the Gifted as well as the Bay Youth Orchestra – a reflection on the excellent instruction they receive at the Virginia Beach School of the Arts.
